

An Invitation

We are delighted to invite you for the 1st Indian "Wolfram Technology Conference 2016"

Join us to explore how computation can empower your organization in **Research, Development, Deployment & Progress**. Wolfram are the world's experts in computation with technologies like Wolfram|Alpha (powering knowledge in Apple's Siri), the Wolfram Cloud, the Computable Document Format, Mathematica and the core of them all "**The Wolfram Language**". This conference will showcase how you can combine your workflows with computation, to deliver quicker and smarter results.

For more than 25 years, Wolfram Mathematica has defined the state of the art in technical computing and provided the principal computation environment for millions of innovators, educators, students, and others around the world.

Agenda

- 09:00 - 09:30 **Registration**
- 09:30 - 10:00 **Partnerships in India**
Galina and Abel
- 10:00 - 11:00 **Machine Intelligence & Automation**
Keynote speaker - Vitaliy Kaurov
- 11:00 - 11:15 **Tea Break**
- 11:15 - 12:00 **What's New in Mathematica 10**
Aravind Hanasoge
- 12:00 - 12:30 **High Performance Computing**
Arun Mangalam
- 12:30 - 13:00 **Non-Linear Differential Equations**
Achala Nargund
- 13:00 - 13:45 **Lunch Break**
- 13:45 - 14:15 **Applications in Educational Forum**
Vijay Sharma
- 14:15 - 14:45 **Logistic Solutions with Mathematica**
Yash Gandhi
- 14:45 - 15:15 **Chemistry with Mathematica**
K. L. Sebastian
- 15:15 - 15:30 **Tea Break**
- 15:30 - 16:00 **Symbolic Computations in Robotics**
Sandipan Bandyopadhyay
- 16:00 - 16:30 **What's New in SystemModeler 4**
Aravind Hanasoge
- 16:30 - 17:30 **Ask experts and Closing session**

Speakers

- ☞ **Mrs. Galina Mihalkina**
Business Development at Wolfram, USA
- ☞ **Mr. Abel Nazareth**
Business Development at Wolfram, USA
- ☞ **Dr. Vitaliy Kaurov**
Consultant at Wolfram, USA
- ☞ **Dr. Aravind Hanasoge**
Consultant at Wolfram, USA
- ☞ **Prof. Arun Mangalam**
Theoretical Astrophysics, Indian Institute of Astrophysics, Bengaluru
- ☞ **Dr. Achala Nargund**
HOD PG Mathematics, MES College, Bengaluru
- ☞ **Mr. Vijay Sharma**
Theoretical Physicist, LSI Corp., Bengaluru
- ☞ **Mr. Yash Gandhi**, VP Operations,
M/s. GetSetRide, Bengaluru
- ☞ **Dr. K. L. Sebastian**
Prof. IPC, IISc, Bengaluru
- ☞ **Dr. Sandipan Bandyopadhyay**
Asst. Prof. IIT Madras, Chennai

Venue and Date

- DATE** : Monday, 18th January 2016
- VENUE** : Hotel La Marvella, South End Circle, 2nd Block Jayanagar
- PLACE** : Bengaluru
- TIME** : 9:00AM to 5:30PM

"Register Now"
Limited Seats !!
Registration by Confirmation

Who should attend

Anyone interested in developing with and deploying Wolfram Technologies—regardless of their field, experience level or familiarity with Wolfram Technologies.

What to Expect

New Technology

Wolfram is innovating at a breathtaking pace. Attendees will get up to speed on the latest applications of our cutting-edge technology like Cloud-Based Computation, Data Science, Interactive Deployment and Knowledge Management.

Learning

Whatever the level of knowledge, this is the chance to learn and explore what Wolfram Technology makes possible in a broad range of fields. Attendees will see how Mathematica, CDF, SystemModeler, Wolfram|Alpha and others could make their organization more efficient, more effective, and more informed.

Social

This is a great chance to meet those who develop this technology, as well as those who use it. With plenty of networking opportunities throughout the conference, attendees will come away with a comprehensive grasp on our technology, and be part of a thriving and dynamic community.
