## Open Space For Open Source

Veeam
IT JUST WORKS!™

GT Enterprises is happy to introduce products from Veeam®, Europe. Veeam recognizes the new challenges companies across the globe face in enabling the Always-On Business™, a business that must operate 24/7/365. Veeam Availability Suite™, which includes Veeam Backup & Replication™, leverages virtualization, storage, and cloud technologies that enable the modern data center to help organizations save time, mitigate risks, and dramatically reduce capital and operational costs.
