A PROFILE

G.T.Enterprises popularly known as GTE is established by Mrs. & Mr. Taranath during the early 1990's having envisaged the growth of IT sector in India. Mrs. Geetha Taranath qualified with Degree in Economics and coming from a business family has proven her entrepreneurial skills. Mr. U.M. Taranath has the honor of serving the Nation in the Indian Navy & PSUs for over 20 years is gifted with vision and has overall 40 years of industry experience. Humble beginning was made by introducing the then Open Source Software products popularly known as FOSS. Soon GTE has expanded it's foray to technology services to reach many verticals in India. GTE has always kept abreast of new developments in the industry. Today GTE is a Multi-Million Dollar company having grown in a short span of time due to hard work, ethical business principles and enterprising nature of the promoters.

In its tenure of 29 years, GTE has been instrumental and a pioneer in introducing New & Innovative Technologies to the Indian market. FOSS – OS and Virtualization are such products introduced by GTE in the quest of newer technologies. Today GTE's core business is FOSS, Virtualization, Storage, Cloud, HPC, RDBMS, IDEs & Testing Tools, Mobile Technology, Enterprise Solutions and Customized software development.

GTE's esteemed customers are from many sectors such as IT & ITeS, MNC's, Government, Defense R&D and Production, Research & Scientific Institutes, PSUs, BFSI, Oil & Gas, Aerospace, Health Care, Consumer Electronics, Automobile and many more.

A core group of highly talented, committed, experienced professionals form the backbone of the company providing vision for the future exponential growth. The team's Mission "committed to progressively initiate innovative technologies by providing customers with cutting-edge solution that supports customer to turn their concept a reality and make significant and lasting impact, by providing end-to-end solutions right from consultation, Proof of Concept, and implementation to orientation", we shall achieve this by :-

☞ Building and maintaining long term customer relations, Setting best practice standards in our services, continuously improving performance and exceeding the expectation of customer.
☞ Consistently invest in latest technologies and infrastructure to match industry benchmarks.
☞ Training and developing the best human potential, to translate the positive intention into tangible results.
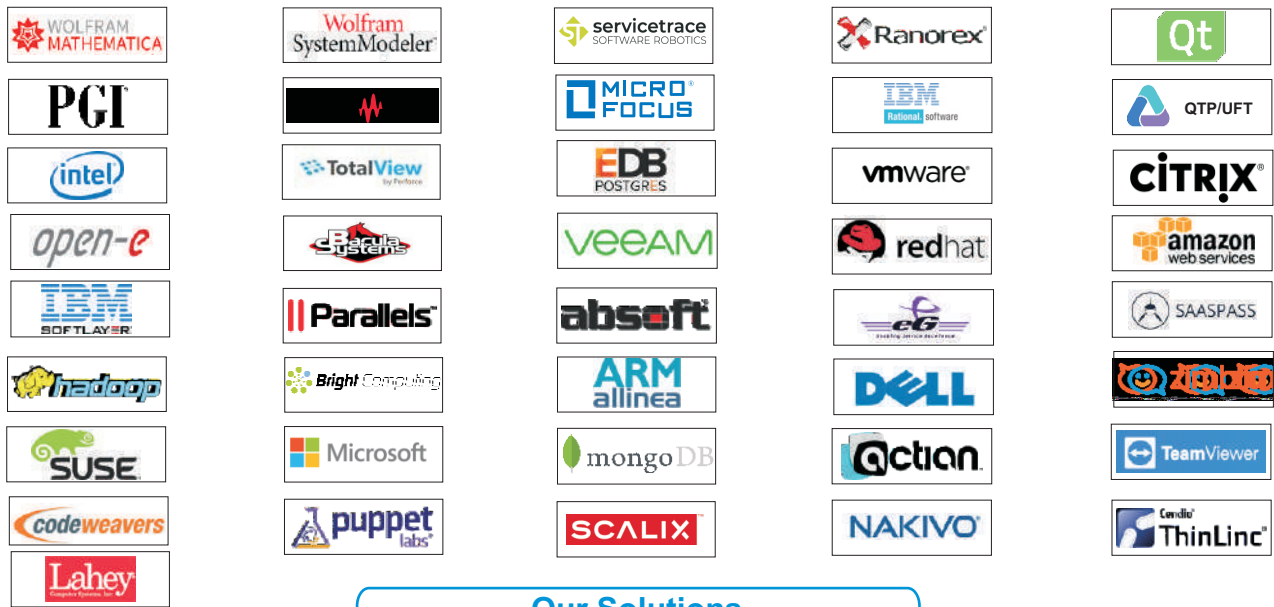

GTE with its head office at Bengaluru owns latest infrastructural facility for its technical division and training center both in Bengaluru and Mysore. Besides two state-of-the-art Virtualization Training Facilities in USA & Bengaluru. GTE has developed a network comprising of partners and associates in all the major cities to serve the customer across the country covering Product, Services and Training, also re-exports products and services to APAC, ME and African Continents.

GTE's Business Mantra is

Sale ➡ Service ➡ Training ➡ Gratified Customer

Our Solutions

Enterprise & Infrastructure Management : GTE is a Technology oriented company, always focused on IT Services with long years of experience in providing end-to-end solutions and post implementation support. We do have qualified/certified resources to meet your requirements on the following technologies & products:
Technologies: Virtualization, Storage, Cloud, Networking : Covering both on-site Resources & Remote Management Services on the following- **Products:** Vmware, Citrix, RedHat, Microsoft, AWS, Veeam, SAASPASS, eG Innovations, Zimbra, PalteSpin Migrate, Filr, iPrint, ZENworks Suite, Vibe, GroupWise
Our Services : ✍ Software Defined Datacenter ✍ Cloud Infrastructure ✍ Disaster Recovery ✍ Clustering ✍ Storage & Backup ✍ Single Master Replication ✍ Multi Master Replication ✍ DR Site Implementation

Software Tools & High Performance Computing : GTE is associated with technology providers through out the world on HPC, Scientific & Research, IDEs & Software Testing Tools. **Scientific & Research Tools:** Wolfram Mathematica, System Modeler. **IDEs & Testing Tools** : Qt Company, Eggplant Functional, Servicetrace, Ranorex, Silk Test, Silk Performer, Silk Central, QTP/UFT, IBM-RFT. **High Performance Computing :** PGI, Intel, Absoft, Lahey, TotalView, NVIDIA, Bright Computing
Our Services : ✍ Installation of HPC Products with/without CUDA ✍ GPU Cluster Installation ✍ Implementation of monitoring tools ✍ Network settings ✍ MPI setup ✍ Installation & implementation of MPI & Application along with Job Scripts ✍ Application Benchmarking ✍ Simulation

Software Development : GTE offers consultancy services on software application development. Our capabilities include but not limited to C, C++, Qt, Java, PHP, .Net/MFC & Android technologies supporting both local & offshore clients.
Our Services : ✍ Proof of Concept ✍ Design ✍ UI Development ✍ Migration ✍ Porting

Big Data : GTE offers database implementation service for businesses of all sizes. GTE experts are certified & highly-trained on various databases like EnterpriseDB (PgSQL), MySQL, Oracle, MongoDB & Hadoop.
Our Services : ✍ Single Master Replication ✍ Multi Master Replication ✍ DR Site Implementation ✍ Performance Tuning ✍ Backup & Recovery ✍ Monitoring

E-ODC \ OSC \ NOC : GTE offers Exclusive Offshore Development/ Service Center for their Partners to start Development / Support operations in India.
Our Services : ✍ Exclusive Resources ✍ Employment & Social Security ✍ Infrastructure ✍ Performance Monitoring ✍ Quality Solution ✍ Recruitment process

Training : GTE is also focused on training and is Authorised Training Partner for VMware, Citrix, EMC, Qt Company, Red Hat, Amazon Web Services, Wolfram – Mathematica, HPC - Portland Group Inc., NVIDIA (CUDA C and CUDA FORTRAN), EnterpriseDB, IBM Avnet and Salesforce.

Our Professional Services

✍ Proof of Concept ✍ Design & Planning ✍ Migration ✍ Porting ✍ Orientation/Training ✍ Backup and Recovery ✍ Disaster Recovery ✍ Installation ✍ Application based solutions ✍ Post Implementation ✍ User portal remote support ✍ Performance Tuning ✍ Troubleshooting ✍ Remote and onsite support

Our Products

Virtualization Products :-
- VMware
- Citrix
- Microsoft
- ThinLinc
- Parallels
- Open-E

Operating Systems :-
- RedHat
- Novel SUSE
- Microsoft
- Linux

Network Solutions :-
- Cisco
- Brocade
- Juniper

Cloud Solutions :-
- VMware
- Amazon
- Citrix
- Puppet Labs
- IBM Softlayer

Infrastructure & Operation Management :-
- VMware
- Veeam
- Microsoft
- Scalix
- Zimbra
- PlateSpin Migrate
- ZENworks Suite
- GroupWise
- Filr
- iPrint
- Vibe

Access Management Tool :-
- SAASPASS
- MicroFocus

High Performance Computing :-
- TotalView
- Intel
- Lahey
- Bright Computing
- PGI
- NVIDIA
- Absoft
- ScaleMP

Scientific - Computational :- WOLFRAM
- Mathematica
- SystemModeler

IDEs & Testing Tools :-
- Servicetrace
- Ranorex
- Eggplant
- GINO Graphics
- Silk Test
- Qt
- Silk Central
- Silk Performer
- QTP/UFT
- IBM - RFT
- eG Innovations

Big Data & RDBMS :-
- Hadoop
- MangoDB
- MySQL
- Ingres
- EnterpriseDB-PostgreSQL

Applications :-
- CodeWeavers CrossOver
- Zend
- JBoss
- Nginix

Registrations
- Registered with Government of Karnataka as Information Technology Company (Dept. of ITBT).
- Member of **Indo - American Chamber of Commerce.**
- Member of **Indo - Australian Chamber of Commerce.**
- Member of **Indo - German Chamber of Commerce.**
- Registered under MSME & NSIC.
- Registered under Duns & Bradstreet Information Services India (D&B) with D&B D-U-N-S. Number: 918146911

"Entrepreneurial spirit, exemplary Performance, and high ethical standards have made GTE an Outstanding Organisation"

Acheivements and Recognition
- Inceptive VMware Partner in India since 1998.
- The First VMware Authorized Training, Consulting and Premium Partner in India .
- Implemented First Ever VMware SRM, VDI View and Lab Manager in India.
- Received **Market Maker** Award from VMware Inc. for two consecutive years 2006 and 2007 for APAC and 2009 for India.
- VMware Awarded **Best Education Partner** for the year 2010.
- First Qt Authorized Training Partner in India.
- Received **Channel World Premier 100** Award for three times in the year 2009, 2010 and 2014.
